

THE ASSOCIATE OF APPLIED SCIENCE (A.A.S.)

The Associate of Applied Science Degree is designed for employment purposes, and it should not be assumed that the degree or the courses in the degree can be transferred to another institution. While a few institutions have recently begun to accept some courses in A.A.S. programs, the general rule is that courses in the A.A.S. degree are not accepted in transfer toward bachelor's degrees. Students to whom transfer is important should get assurance in writing in advance from the institution to which they wish to transfer.

**ARKANSAS STATE UNIVERSITY-MOUNTAIN HOME
DEGREE PLAN FOR
ASSOCIATE OF APPLIED SCIENCE IN
PARAMEDIC TECHNOLOGY**

Graduates of this program are eligible to apply to the Arkansas Department of Health, EMS Division and the National Registry of EMTs for the Paramedic Certificate Examination. Upon successfully passing the examination, the graduate will possess a paramedic certificate and can function as a team member on an ALS ambulance and within the pre-hospital environment. Interested applicants should see instructor for cost estimates. This program is offered in collaboration with the Department of EMS at the University of Arkansas for Medical Sciences.
