The program incorporates foundation coursework in teacher education, field-based experience, and content coursework in a selected certification area. This degree is accepted at all 4-year public universities and colleges in Arkansas upon completion of the entire degree. A 2.65 GPA is required for graduation from the AAT program.

Students must successfully pass the Praxis I to graduate with the Associates of Arts in Teaching degree and be accepted for transfer with junior classification. The AAT degree does not guarantee acceptance into a 4-year teacher education program.
