SAT[®] Additional Score Report Order Form

Complete the information below to order additional score reports for the SAT[®] or SAT Subject Tests[™] to be sent to colleges, universities, and scholarship programs.

- We will send a cumulative report of all SAT and SAT Subject Test scores that are available and reportable at the time your request is processed. You cannot send only your latest or highest SAT scores.
- Approximately four weeks after we receive your request, scores will be sent to you and to any additional score recipients noted below. Please remember that colleges and programs may need an additional week to process your scores once they receive them. Score recipients can access an image of any SAT essays associated with your scores.
- Rush reporting is available for an additional fee (\$9.50 for each score report plus a single processing fee of \$27). Rush scores are sent two business days after your request is processed. **Be sure to check with the institutions before requesting this service: not all colleges accept rush reporting.**

Mail the completed form and payment to the address in the light gray box below.
